A NOTE FROM
Andy

Hello Friends,

What a year 2022 was! We had our largest summer camp attendance ever, hired a few staff, and raised more money than ever before. God has really been at work and we're just thrilled to be stewarding this ministry, following His lead. Much of this work is only possible because people like you gave sacrificial gifts. You were a champion for Camp Rivercrest, and your partnership is so appreciated. Thank you.
